Book Review

- "Measuring Business Cycles in Economic Time Series," by Regina Kaiser and Agustín Maravall. *Indian Economic Review*, vol. 36, no. 1, January-June 2001, pp. 304 – 306.
-

"Inflation Stabilization: The Experience of Israel, Argentina, Brazil, Bolivia, and Mexico," edited by Michael Bruno, Guido Di Tella, Rudiger Dornbusch, and Stanley Fischer. *Southern Economic Journal*, vol. 56, April 1990, pp. 1133-1134.

"Labour Market Economics: Theory, Evidence and Policy in Canada," by Morley Gunderson. *Journal of Labor Research*, vol. 3, Spring 1982, pp. 239-241.

Popular Writing

Monthly contributor to *The Connecticut Economic Digest* (A joint publication of the Connecticut Department of Labor and Connecticut Department of Economic and Community Development). Please see the appendix for a complete list of titles and publication dates.

Working Papers

"Non-Parametric Tests of Long Memory in Real Exchange Rates in the Post-Bretton Woods Era." Submitted.

"The Power of the "Objective" Bayesian Unit-Root Test." Submitted.

Other Professional Activities

Paper presented at Colloquia, Meetings and Conferences:

"Non-Parametric Tests of Long Memory in Real Exchange Rates in the Post-Bretton Woods Era." Paper Presented at the 19th Northeast Statistics Symposium, 2005.

"The Power of the "Objective" Bayesian Unit-Root Test." Paper presented at the 2005 Annual Meeting of the Eastern Economic Association.

"Non-Parametric Tests of Real Exchange Rates in the Post-Bretton Woods Era." Paper presented at the annual Canadian Economic Association meeting in Toronto, June 2004.

"Modified R/S Analysis of Real Exchange Rates in the Post-Bretton Woods Era." Paper presented at the 2002 Southern Economic Association Annual Meeting, Wesleyan University, and Department of Economics, University of Connecticut "brown bag".

"Model Mis-specification and Johansen's Cointegration Analysis: An Application to the U.S. Money Demand." Paper presented to the Department of Economics, University of Connecticut, April 2002.

"Is the Bayesian Approach Necessarily Better than the Classical Approach in Unit-Root Test?" Paper presented at the 2000 Southern Economic Association Annual Meeting. Also chaired a session and served as a discussant in another session.

"New Evidence On the Cointegration of M1 and M2 in the U.S." Paper presented at the 1999 annual meeting of the Eastern Economic Association.

"Multilateral and Bilateral Tests of Purchasing Power Parity Using Permanent Values," (with S.M. Miller). Paper presented to the Department of Economics, University of Connecticut, 1986. Also presented at the 1987 annual meeting of the Eastern Economic Association.

"The Dollar/Pound Exchange Rate in the 1920s: An Empirical Analysis." Paper presented at the 1986 annual meeting of the Eastern Economic Association.

"Structural Exchange-Rate Models and Efficient Foreign Exchange Market: An Examination of Seemingly Divergent Views," (with S.M. Miller). Paper presented to the Economic/Finance workshop of the School of Business Administration, University of Connecticut, in 1985. A revised version of this paper was presented to the Department of Economics, University of Connecticut, in 1985.

"The Predictive Performance of the Time-Series Model and the Regression Model of the Income Velocity of Money: Evidence from Five EEC Countries." Paper presented at the 1982 annual meeting of the Eastern Economic Association. A revised version of this paper was presented to the Department of Economics, University of Connecticut, in 1983.

"Are Government Deficits Inflationary?" (with S.M. Miller). Paper presented to the Department of Economics, University of Connecticut, in 1982.

"Testing for Neutrality and Rationality: The Case of Canada." Paper presented to the Department of Economics, University of Connecticut, in 1980.

Talks and Presentations:

"A General Framework for Evaluating Economic Policy", talk presented to the Economic Policy panel, University of Connecticut, 2005.

"Structural Breaks in Macroeconomics Time Series", talk presented to the Macroeconomics Workshop, Department of Economics, University of Connecticut, 2005.

"Is the U.S. Responsible For the Failure of PPP in the 1980s?", Brown bag presentation, Department of Economics, University of Connecticut, Fall 2003.

"The Power of the "Objective" Bayesian Unit-Root Test", Brown bag presentation, Department of Economics, University of Connecticut, Spring 2004.

Presented a talk titled "IMF: Its Past and Future" to the League of Woman Voters of Greater Hartford, March, 1999.

Chairperson on Asian Workshop of the "Global Economics" panel, sponsored by the Mansfield World Federalist Association, April, 1998.

Panelist on "The Asian Financial Crisis". Sponsored by the Honors Students in Economics, University of Connecticut, 1997.

Panelist on "The Wall Street Crash: What Next?" panel. Sponsored by the Undergraduate Economics Club and the Association of Graduate Economic Students, University of Connecticut, 1987.

Numerous presentations to Undergraduate Honors Seminar.

Conferences and Meetings Attended:

Attended and presented a paper at the Canadian Economic Association Meeting in 2004.

Chaired and discussant at the 2000, 2002 Southern Economic Association Annual Meeting.

Attended annual meeting of the Eastern Economic Association in 1976, 1982, 1984, 1986, 1987, 1988, 1999, and 2005. Served as a discussant in the 1982, 1984, 1986, 1988, 1999, and 2005 annual meetings. Chairman of session at the 1987, 1999, and meetings.

Attended annual meeting of the American Economic Association in 1979, 1985, 1999, 2002, 2003, 2004, 2005.
