Policy Research Methods II Electives</p> <p>Total Credits: 15</p>

Majors choosing a concentration must take at least three courses from Group A and a sufficient number from Group B so that the total number of credits earned from both groups is at least 18.

Group A: ARE 3434, 4462, 4464, 3260, 4444

Group B: ARE 3210, 4217, 3436, 3437, 4438, 3235, 3450, 3255, 4093, 4091, 4095, 4099, GEOG 2100, NRME 3245 *With the approval of the advisor, additional courses in ARE or related fields can be used to fulfill the 36 credit requirements for the major with this area of concentration.

This sample plan of study for a Environmental Economics and Policy concentration includes general education requirements, 36 credits of the Resource Economics major requirement, and many electives. Other opportunities for majors include summer internships and foreign study. For more information, visit www.are.uconn.edu or contact the department at ResourceEconomics@uconn.edu
