

Fees and Expenses

The schedule of fees which follows is comprehensive and is expected to prevail during the 2005-2006 academic year, but the Board of Trustees and the Board of Governors for Higher Education reserve the right, at any time, to authorize changes. Revisions in the State budget may force fee changes. Information on the fees applicable to the courses offered through the College of Continuing Studies is available in their publications.

Application Fee

A fee of \$70 must accompany the application for admission to any undergraduate school or college of the University for full-time study. The application fee is not refundable and may not be applied to other charges.

Acceptance Fee

A freshman student entering the University in the fall semester must make a nonrefundable payment of \$150 by May 1. This payment will apply toward the University fee bill. Failure to remit payment will result in cancellation of admission. The new freshman student is encouraged to make payment as soon as the student's intention to accept admission is firm.

A transfer or readmitted student entering the University in the fall semester, and a freshman, transfer or readmitted student entering in the spring semester must make a nonrefundable payment of \$150 within fifteen days of receiving notice of admission. This payment will apply toward the University fee bill. Failure to remit payment by the prescribed date will result in cancellation of admission.

Students are not required to pay a housing deposit to select a room for the 2005-2006 academic year. A student who selects a room, may cancel that assignment without penalty before June 1, 2005. A student who retains his/her Storrs enrollment but cancels his/her housing from June 1-30, 2005 will be responsible for 25% of the fall semester room fee. A student who cancels from July 1-31, 2005 will be responsible for 50% of the fall semester room fee. Partial payment of fees will not be accepted. Failure to make payment on time will result in cancellation of the privileges accorded a student, including registration and residence hall assignment. Registration is not complete nor is the residence hall assignment confirmed in any semester until all the fees for the semester have been paid.

A student who retains his/her Storrs campus enrollment but cancels his/her housing before June 1, 2005 will not be obligated to pay any part of the fall semester room fee. There is a \$25 charge on any check which is returned by the bank for any reason.

Late Payment Fee

The payment of the fee bill is due in full prior to August 1 (fall semester) and January 8 (spring semester). A late payment fee of \$50 is payable by all undergraduate students whose tuition and fees are not paid in full on the published due date. Checks returned by the bank for any reason are considered late payment. Students may have services denied if all fees have not been paid by the due date.

Refunds for Cancellations and Withdrawals

All undergraduate students who withdraw from the University for any reason must secure from the Dean of Students' Office written acknowledgement of their withdrawal, and arrange with that department the details of their leaving.

No refunds are made unless this procedure is followed. See the section on Withdrawal and Cancellation, and Leave of Absence for further comment.

The University grants a full refund of advanced fees to any student academically dismissed. In certain other instances, including illness, adjustments to the following schedule of refunds can be made at the discretion of the staff in the Dean of Students Office.

Where notice of cancellation is received through the first day of classes of a semester, full refund (less the nonrefundable acceptance fee) is made if fees have been paid in full.

Students who applied for and were assigned to on-campus housing but withdraw from the University will be given 24 hours from the effective withdrawal date to officially check-out of their residential assignment. After this 24 hour period students will be charged a daily housing rate until the date official check-out has been processed.

In addition, there will be a pro-rata policy in effect for those students leaving the university who have accepted Title IV funds. This is a new requirement from the federal government. These funds include Pell Grant, Opportunity Grant, Perkins Loan, and subsidized, unsubsidized and Plus Loans.

This policy determines the amount of federal funds that a student is entitled to use by calculating the number of days attended divided by the number of days of the semester and multiplying this percentage times the funds received. The amount the student is not entitled to keep is then returned to the proper program(s).

Because of the new rules, the student may be required to repay part of the loans to the 6-month grace period.
