

TEN New Features for the Student Administration System

Effective 10/2010

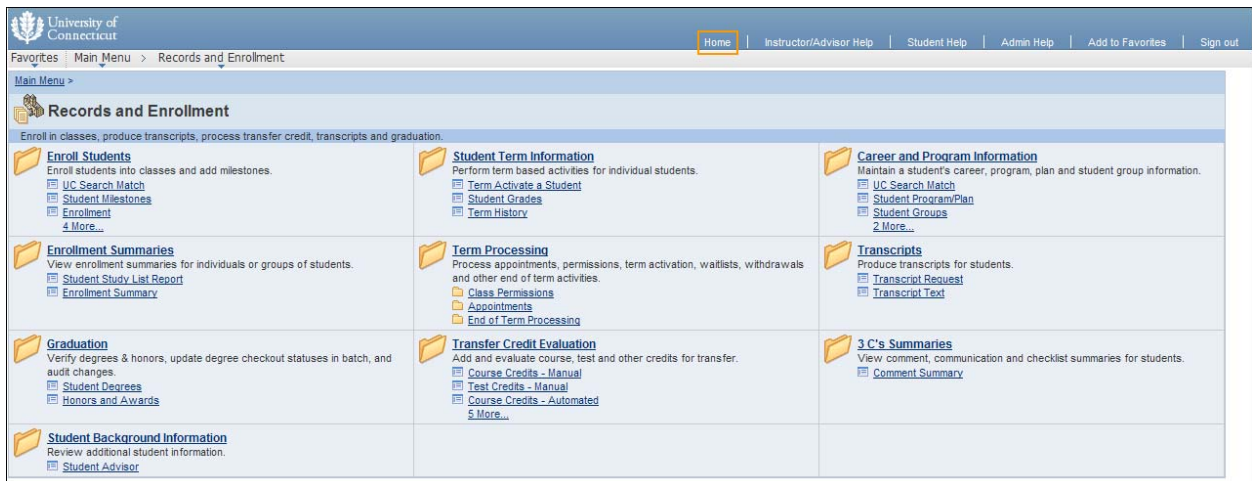

ONE: Cascading Menus

To activate cascading menus, click the **Main Menu** drop-down arrow. Then **hover** your mouse over a menu item to view additional sub-menus.

TWO: Expanded Window View

You may still click the left-side menu. Pages are then viewed **full screen with the left-side menu hidden**. Click the **Home** link to return to the original left-side menu view.

THREE: Navigational look – *Breadcrumbs* are back!

Use the **breadcrumbs** that appear across the top of the page to navigate to a different page.

FOUR: A New Look for *Processing*:

FIVE: A New Look for *Saved* and *Saving*:

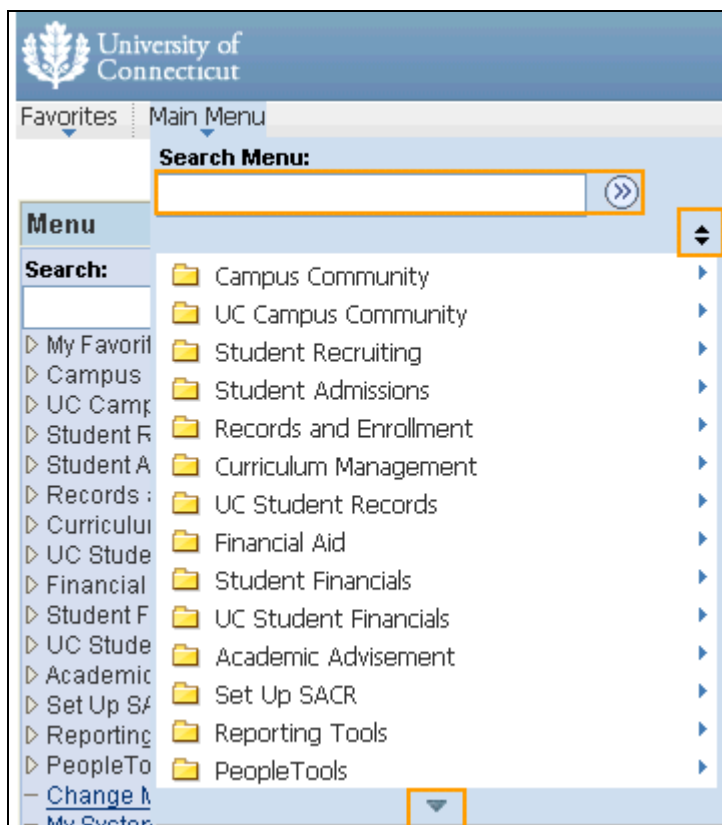

SIX: Number of Search Results Displayed

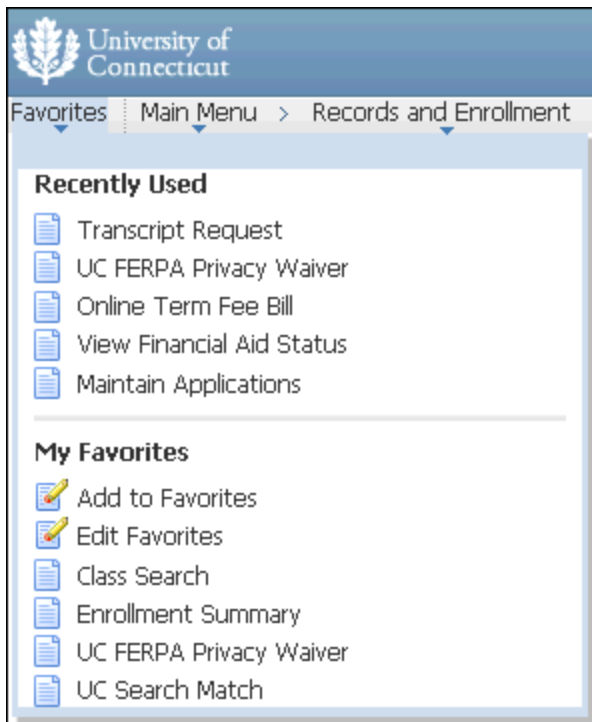

You can enter the number of search results. Example below: Show **100** rows.

SEVEN: Main Menu can be Sorted, Scrolled and Searched

Click the **sort** icon to display the menu in ascending or descending order. Click the **scroll arrows** that appear at the top and bottom of the menu when the menu is too long to view. You can also **search** the menu.

EIGHT: The *Favorites* menu displays your five most *Recently Used* locations

NINE: Pop-up Windows for Look-up

Search results display information in a moveable, resizable pop-up window. You can grab the look-up window to move to another location. Use the drag to resize button on the bottom right corner to change the size of the pop-up window.

The screenshot shows the University of Connecticut Enrollment Request system interface. A 'Look Up' pop-up window is open, displaying search criteria and results for 'Look Up Action Reason'.

Look Up Action Reason Search Criteria:

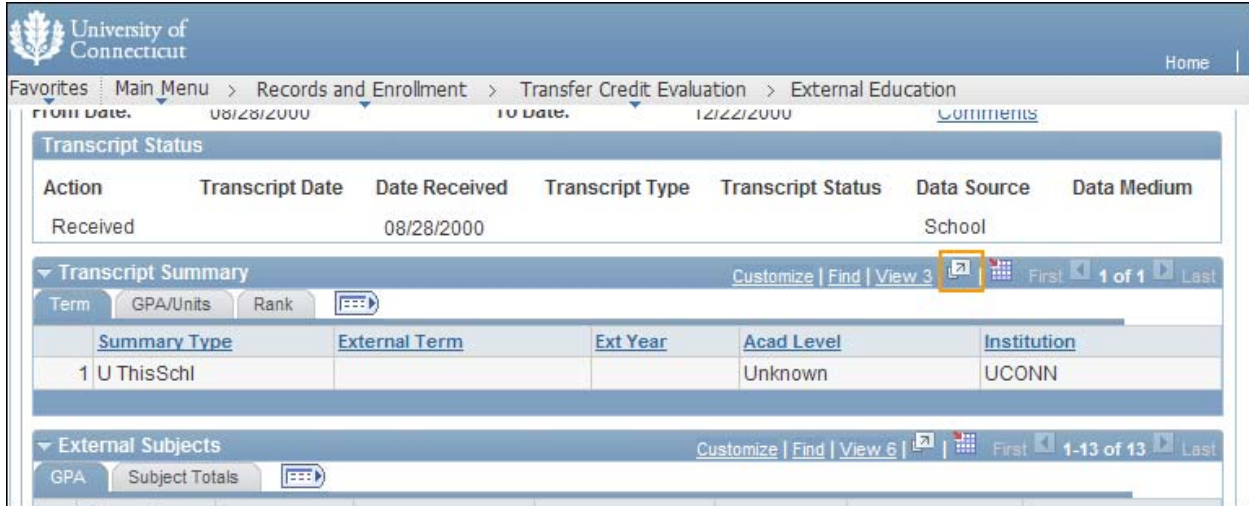

- SetID: UCONN
- Academic Career: Undergraduate
- Enrollment Action: E
- Enrollment Action Reason: begins with []
- Description: begins with []

Search Results:

Enrollment Action Reason	Description
ABRO	Study Abroad Students
DEAN	Dean's Approval
DEPT	Department's Request
ENRL	Upon Student's Request
RNOP	Reinstating Non Payment
STNT	Student Request

TEN: New Window Grids

When you click the **Zoom** icon  in a grid, a new window (modal page) opens. The primary page is grayed out allowing you to view the information on the original page and work with the new window. You can grab the Zoom window to move to another location.
