

UConn Extension

Bug Week

AntU Day!

Thursday
July 26, 2018
12:00 noon – 4:00 pm

Biology/Physics Building
UConn Storrs
91 N Eagleville Rd
Storrs, CT 06269

12:00 – 12:30 pm

AntU: Year Two & Counting!

Dr. Janine Caira, Department of Ecology & Evolutionary Biology and CT State Museum of Natural History
Biology/Physics Room 130

The AntU initiative continued to grow and surprise us in 2018, with faculty, staff and students working together on truly unique collaborations across the University. Inspired by the amazingly complex biological system of army ants and their guests, ambitious projects and plans now extend into 2020. Join Distinguished Professor and Connecticut State Museum of Natural History Director Dr. Janine Caira to learn more!

Peter Morenus/UConn Photos

12:30 – 4:00 pm
“Be Our Guest”

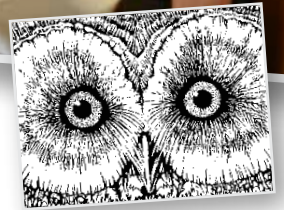

Exhibit & Collection Activities for All Ages!

Biology/Physics Lobby

- Meet AntU team members and our giant 12-foot ant
- Learn about army ant “guests” and take a souvenir home
 - Identify specimens at microscope stations
- Test drive and provide feedback on our new database
 - Check out the live fungus-growing ant colony
 - Tour the Biodiversity Research Collections
 - See *Astonishing Army Ants*, the movie
 - Get FREE AntU Dairy Bar ice cream

Escape to the UConn Rainforest!

Ecology & Evolutionary Biology Greenhouse
• Find the insect pollinators, all new Scavenger Hunt

This event is FREE and open to the public.

Presented by the Connecticut State Museum of Natural History and the Department of Ecology and Evolutionary Biology
