Trip Overview

This clinic is designed to get you acquainted with handheld GPS navigational systems. These new high-tech pieces of equipment can be confusing at first, but with our professionally trained UConn Outdoors staff, we will show you how to find out where you want to go anywhere, anytime. Participants will be practicing with Garmin GPS handheld devices.

What UConn Outdoors Will Provide

- GPS Units
- Instruction

What To Bring

- Notepad and pencil
- Weather appropriate clothing because we will be going outside to practice with the GPS units
