TEACHING EXPERIENCE

University of Texas at Austin

Introduction to Sociology (freshman course)

University of North Carolina at Chapel Hill

Research Methods in Sociology

Intermediate Social Statistics

Social Statistics

Mathematics for Sociologists

Structural Equation Models in Sociology

Family in Society

Family Structure and Process

University of Nebraska at Omaha, 1982

Basic Statistics

Hunter College of the City University of New York, 1987

Social Statistics

Columbia College of Columbia University, 1988

Introduction to Sociology: The Individual and Society

University of Michigan

Human Dimensions of Global Environmental Change Seminar

Principles of Sociology (Honors Course)

Introduction to Global Change

First-Year Seminar: People and Global Environmental Changes

University of Connecticut

Introduction to Sociology

Introduction to Sociology (writing course)

Social Research Methods

OTHER ACTIVITIES

Member, Committee on "Adaptive Ecopolis Development to Meet the Challenge of Environmental Change" of the Scientific Committee on Problems of the Environment (SCOPE), International Council for Science (ICSU), 2004-

Member, National Research Council, Committee on National Statistics, Panel on Confidential Data Access for Research Purposes, 2002-2005.

Member, editorial board, *Social Science Computer Review*, 1996-1999

Member for the American Statistical Association, 2000 Census Advisory Committee, 1993-1995; committee submitted final report to the

Secretary of Commerce in March 1995; reappointed to the re-mandated committee 1995-1998.
