What do I do if I lose my ID?

Do ID cards expire?

Your card is valid as long as you are affiliated with the University and does not need to be renewed each year. If there is a change in status (ex. from undergraduate to graduate, name change, etc.) then a new card must be issued.

What happens if my ID stops working?

It is important to take good care of your ID card. You can buy an ID holder at the Co-op. Keeping the ID card in a holder will lessen the risk of damage. The One Card Office will replace, at no charge, any non-functioning ID card that exhibits normal wear and tear. Normal wear and tear is defined as any damage that is caused by swiping the ID card through authorized equipment. The One Card Office will charge a replacement fee of \$15 for non-functioning ID cards that are determined to be caused by improper care and handling. Examples include bent cards, gouged cards, cards with vertical scratches or gouges on the magnetic stripe. Any ID card with a hole punch that interferes with the function of the ID card will also be charged a \$15 replacement fee.

Can my friends use my ID?

No. Your ID is yours to use only. If a person is caught using someone else's ID, the ID may be confiscated. This is to safeguard any value that may be on the card.
